JOB AND WORK SCAMS

A job should never cost you money.

If you have to pay to start work, it is not work.

A REAL EMPLOYER WILL NOT

01 Charge you for equipment or training

02 Send a check and ask you to forward part

03 Hire you over text without ever speaking

04 Want bank details before a written offer

> **Look the company up yourself and call their listed number. Bring the message to us and we will look together.**
